

Fairmount Park Privacy Statement

Introduction

Fairmount Park (FP), an operating department of the City of Philadelphia (the "City"), is committed to providing payment, donation and registration services related to Fairmount Park on-line. We encourage the use of our official Website, www.fairmountpark.org ("Website") to interact with Fairmount Park. Fairmountpark.org has various applications and services to facilitate a positive on-line experience. The nature of eGovernment services may require capture, storage and management of user information. Fairmount Park feels strongly about its responsibility to the individual's right to privacy and the security of personal information. Outlined in this document is our policy related to information gathered via www.fairmountpark.org.

Personal Information

Fairmount Park does not collect personally identifiable information automatically from anyone visiting www.fairmountpark.org. The user may provide personal information as a result of interacting with forms, applications, emails, or to complete an online transaction. The information offered voluntarily by the user will be protected against unauthorized use by anyone using the City's existing network security technology or the security technology provided by an External Site (defined below).

Fairmount Park does not share information provided by the user with third party organizations. Fairmount Park does however reserve the right to share information with organizations under contract with the City or Park to act or perform a service on the City or Park's behalf. Any information forwarded from the City to a contracted third party will be held in the strictest confidence and used only for the purposes identified in the capturing transaction.

Security and privacy policy at External Sites

The Website contains links to other sites on the Internet that are operated by parties other than Fairmount Park or the City including a third party site for ALL payment transactions, donations and registration opportunities ("External Sites"). Fairmount Park is not responsible for the security or privacy policy of any External Site. If you have questions or concerns regarding the security or privacy policy of any External Site, you should refer to the terms of use and/or privacy policy provided by any such External Site and/or contact the respective External Site administrator directly.

General Internet based information

Fairmount Park does collect general Internet based information that is not personally identifiable for statistical purposes. The user's browser type, Internet domain (www.yourcompany.com), time and date of visit, pages viewed and IP address (unique computer identifier) are examples of the type of statistical information collected. This information is collected automatically without user interaction. The data collected is used to better serve the users of www.fairmountpark.org. Fairmount Park reserves the right to forward user information to City department(s) that can best serve the user and address their request.

Cookies

Cookies are small data files that are transferred by a web application to the user's hard drive. These files are used to store information related to the user, such as, ID, passwords

etcetera. This information is provided by the user via interaction with a web application or site. Cookies do not access information on the user's computer. Their primary purpose is to make the users experience more enjoyable on their next visit to the site. Cookie management is controlled at the browser level. The user can turn off cookie transfer via the configuration option of their browser. The applications on www.fairmountpark.org may at times transfer cookies to the user's hard drive. Fairmount Park is committed to using cookie technology responsibly and will make every effort to protect the user's computer environment from highly unlikely cookie related damage.
